Moulsham Lodge Community Trust

April 2016

WELCOME BACK

First of all we need to mention our Community Fun Day on Saturday May 14th. On the reverse of this newsletter is a poster with all the details of the Fun Day. If you can, please display this poster or just use it to share details of the event with friends.

There will be activities at St Luke's Church, The Scout Hut, The Community Station & The Eagle & Hind.

We start at 10.30am and finish at 4pm so please put the date in your diary.

This year we are especially excited to welcome two stars of Britain's Got Talent, the first is Team Kinetix. Team Kinetix are some of the most experienced and capable Parkour Practitioners, Freerunners and Acrobats in the World. They have been performing on the international stage since 2005 & have just finished promoting the new Disney film "The Jungle Book" see www.teamkinetix.co.uk for details.

The second BGT star is the inimitable Confident Queen, Jenny Jones. Starring on the programme in 2012 David Walliams said of her "You brought with you today, a sense of hope, a sense of happiness and a sense of confidence"

This year we will be celebrating the Queens 90th birthday by holding our own Tea Party, we will be decorating our new marquee with all things Royal for you to enjoy, including our Scones and Sandwiches as well as our Royal Burgers and Regal Sausages.

You will also be able to make your own crown (adults too) and enter our competition for the best one. We'll then send a picture of our best three to the queen, for her to see how we've celebrated her birthday. Do you have any spare fabric, lace, sequins, buttons anything in fact that you could stick on a crown, you can let us have it before hand or on the day.

Hopefully we will have a dressing up Photobox for you to dress up and have fun with, so make sure you bring a camera or you can use ours.

Children's stone and pot painting is back by popular demand and located out the front next to the "Wood Man"

Following the success of last years *Moulsham Lodge Through the Years* we will be holding a similar exhibition we are calling "Chelmsford Remembered" this is based on the extremely successful Facebook Group of the same name. You will be able to see photos of Chelmsford over the last 100 years or so and I'll bet you'll be surprised what used to be in and around Chelmsford in years gone by. Additionally we will also have some local History courtesy of amateur historian Martin Robb, did you know we had a Moulsham Hall and who it was owned by?

Another new activity we have this year are our Gigantic Garden Games. We have Connect4, Jenga, Pick Up Sticks, Skittles, Chess, Dominos, Hoopla & Kerplunk, this will all be undercover so even if it's wet you can have fun playing our games. We hope to make this a regular feature on a weekend at some point in the future, along with refreshments.

Another favourite returning is the climbing wall, especially after it was enjoyed by so many intrepid mountaineers last year. We will also have the usual Bouncy Castle.

This year New City Voices will be holding a concert at St Luke's on the following Friday (20th May) and we are pleased to announce we will be joined by

a guest choir called Men2Sing who are based in South Woodham Ferrers. Tickets will be £10 and we will be raising money to buy a Heart Defibrillator to be based at the Community Station. These small compact units can be used by anyone if a heart attack is suspected. They are fully automated so you don't have to be medically trained to use one..

If you would like to volunteer on the day please get in touch. Or you could just bake us a cake for our refreshment stalls.

Please sign up to our regular email newsletters on our website or look out for our articles in the Moulsham Times. You may have seen our new notice board out the front where you can also catch up on all the latest news and events. You can also find us on Twitter and Facebook so please join us and share your ideas with all our friends.
