

Moulsham Lodge Community Trust (MLCT) and friends

Tree Treasure Hunt

Monday 1st February to Sunday 21st February 2021

To take part you'll find a list of some ML tree named roads below. In each of these roads at least one house will have an MLCT tree poster (like the one above) in a window. You'll be able to see them from the pavement. Some roads have more than one house with a tree poster, the stars on the table below show how many houses in each road.

You need to find **all** those houses and note down the house numbers. Once you've found them all, add the house numbers together and send that final number to us with your names and a way of contacting you either:

- By paper in through the letter box at Moulsham Lodge Community Trust station at 99 Gloucester Avenue CM2 9DS or
- By email to competitions@mlct.org.uk or
- By messenger to MLCT Facebook

Paper copies of this form can be collected from 23 Gloucester Avenue

We need the answers by the end of Sunday 21st February 2021.

Everyone will receive a small prize and the lucky winner (who will be picked out from all the correct answers) will receive a £10 voucher.

Good luck and (even more importantly) have fun!

If you have any interesting stories to tell us about your experiences of the MLCT Tree Treasure Hunt we'd love to hear them!
